Hong Kong, 9 February 2023

Dear Investors,

**Franklin Templeton Investment Funds (the “Company”)
- Updates to the investment policy of the Franklin India Fund (the “Fund”)**

This letter is intended for investors who hold shares of the Company via an account with (i) Franklin Templeton Investments (Asia) Limited (the “**Hong Kong Representative**”) or (ii) a duly authorized intermediary for the Hong Kong market (collectively, “**Investors**”).

Unless otherwise specified herein, capitalized terms used in this letter shall have the meanings assigned to such terms in the Explanatory Memorandum of the Company dated July 2022, as amended from time to time (the “**Explanatory Memorandum**”).

With effect from 10 March 2023, the investment policy of the Fund shall be updated to enable the Investment Manager to invest in securities issued by private companies. As a result, the investment policy of the Fund shall be updated to reflect that the Fund may, in accordance with the investment restrictions, invest up to 5% of its net assets in securities issued by private companies.

Accordingly, the following paragraph shall be added immediately after the first paragraph under the section headed “Investment Policy” in the Fund’s profile in the Explanatory Memorandum:

“The Fund may also, in accordance with the investment restrictions, invest up to 5% of its net assets in securities issued by private companies provided that the contemplated investments qualify as transferable securities under paragraphs (1) or (2) a) of Article 41 of the Law of 17 December 2010.”

As a consequence of the above, the “Private Companies risk” (as set out below) shall be added to the lists of risks pertaining to the Fund in the Explanatory Memorandum.

“Private Companies risk

Investments in securities issued by private companies involve a significant degree of risk and uncertainties compared to publicly traded equity. These investments are usually made in companies that have existed for a short period of time, with little business experience and therefore any forecast of future growth in value is subject to a high level of uncertainty.

Investments in securities issued by private companies are also subject to limited liquidity as they are not traded in an organized market.”

Other than the change outlined above, there will be no change to the operation and/or the manner in which the Fund is being managed, there is no other effect on the Investors, and there will be no material change or increase in the overall risk profile of the Fund following the change. The above change does not amount to material change to the Fund and does not have a material adverse impact on the Investors’ rights or interests.

The change sets out in this letter does not give rise to any change in the fee level or fee structure of the Fund. Any costs and expenses arising from the change will be borne by the Management Company, other than the cost of publishing this letter, which is estimated to be approximately HKD10,000 and which will be charged to the Fund.

If you do not agree with the above change, you may request, free of charge until 4:00 p.m. on 10 March 2023 (Hong Kong time), for a redemption of your shares of the Fund impacted by such change or a switching of such shares into shares of other sub-funds of the Company that are authorized¹ by the Securities and Futures Commission of Hong Kong (“SFC”), details of which are disclosed in the Explanatory Memorandum.

The Company comprises a wide range of sub-funds catering for many different objectives. Switching of your existing holding may be made into other sub-funds within the Company that are authorized¹ by the SFC. On receipt of your instructions, we will execute the switching for you in accordance with the provisions of the Explanatory Memorandum, free of charge.

If you do not wish to switch your shares and would like to redeem such shares, the redemption will be made in accordance with the provisions of the Explanatory Memorandum, free of charge.

Please note that although the Company will not charge the Investors impacted by the above change any redemption or switching fee for redemption and switching requests that reach the Hong Kong Representative, in some cases the relevant banks, investment advisers or other intermediaries may charge switching and/or transaction fees. They may also have a local dealing cut-off time which is earlier than the dealing deadline described above. The Investors are recommended to check with their banks, investment advisers or other intermediaries (if applicable) to ensure that their instructions reach the Hong Kong Representative before the dealing deadline above.

Before investing in another SFC-authorized¹ sub-fund of the Company, please ensure that you have read and understood the investment objectives, policies and fees applicable to the relevant sub-fund as described in the Explanatory Memorandum.

¹ SFC authorization is not a recommendation or endorsement of a scheme nor does it guarantee the commercial merits of a scheme or its performance. It does not mean the scheme is suitable for all investors nor is it an endorsement of its suitability for any particular investor or class of investors.
